

9 days/8 nights South Lombok-Gili Air-Highlight-Tour 2010

1st day: Morning pick up on Lombok

Pick up at the airport and transport to South Lombok. On this 1½ hour trip you can gain your first impressions and enjoy the ride along rice fields and rural Lombok. We will go out for a half day of diving, and undertake 2 exiting dives. In the afternoon we will then take you to check in at your accommodation where you can enjoy the relaxed atmosphere.

2nd and 3rd day: ...diving, beach and relaxing

...now we go diving! It's time to experience the exciting underwater world of South Lombok and be fascinated by our colorful reefs and their inhabitants. Experience stingrays, sharks, turtles and many more. We will go on **2 daytrips with a minimum of 4 dives**, and you can experience our favorite dive sites. You will also have the possibility to go exploring untouched reefs and discover new pristine dive sites. A fascinating underwater experience awaits you!

4th day: Belongas Bay

Today we will take a daytrip to Belongas Bay, and take another **2 eventful dives**. This location is famous for its dive sites "**The Magnet**" and "**The Cathedral**", and offers quite a few more world class dive sites to be explored. Here you'll find pristine reefs and an abundance of marine life. There is plentiful fish, as to be found nowhere else around Lombok. Mackerel, Tuna, Barracuda, Napoleon, White- and Black tip reef sharks, Eagle rays and not to forget the possibility of **schooling hammerhead sharks** at "The Magnet".

5th day:

Today we take you along the western coast to the harbor of Teluk Nare, where you'll board the speedboat to Gili Air. On the tropical little island you can find a relaxed atmosphere as well as plenty of topside activity for your evenings.

Our professional partner on Gili Air, Manta Dive, will take you on interesting and lively underwater excursions for the next 4 days.
